If at any time the information contained on this form changes, the college must be advised in writing.
Information contained in this application form is confidential to the staff of Whanganui Girls' College and will only be supplied to outside agencies to carry out the required educational functions of a school in accordance with the Privacy Act (1993). Address and phone number details are collected at the time of enrolment and during the student's time at school so that the school can contact the parent or student as necessary. These contact details may also be passed on to the Ministry of Education and the Ministry of Social Development (MSD). This is so young people who may have difficulty finding future employment, training or further education can be identified and offered support by organisations contracted by MSD to help re-engage young people in education or training when they leave school. Student work may be used for educational purposes at the school's discretion.

There could be occasions when achievement results or images of your daughter could appear in school publications, including our newsletter, website and Facebook. Please advise us in writing if you do not agree to this.
